Sir,

I have the honor to bring to the notice of Government that - the establishment attached to the Bench Court at Mysore, consists of only one clerk on Rs.25/- per mensem, and it has become extremely difficult for this single official to cope with the work. He has to attend to the Court work, see to the correspondence, remitting of fines to the District Treasury, submission of calendars monthly and other periodical returns besides maintaining the 'From' and 'To' registers and attending to other work of a miscellaneous nature. It is really very hard to expect one clerk to do the multifarious work of this City Court satisfactorily.

2. The work in this Bench Court is also steadily increasing as can be seen from the number of cases filed during the last three years as noted in the margin, and the Chairmen have been I find repeatedly asking for the entertainment of an additional hand to give some relief to the existing overworked official.

3. I am satisfied that the representation is very reasonable and I accordingly request that you may be so good as to obtain the sanction of Government to the entertainment of an additional clerk on Rs.20/- per mensem at once. Necessary provision has been made

Sir,

With reference to your letter No.G.5679-Cts.240-19-2 dated the 10th September 1920 stating that Government do not see sufficient reason to sanction the entertainment of an additional clerk for the Bench Court at Mysore, I have the honor to submit that a reference had been made to the District Magistrate, Bangalore, in regard to the establishment sanctioned for work in the Bench Court at Bangalore, and it was ascertained that the staff there consisted of three clerks as noted in the margin, and that the file of the Bangalore Court was much heavier than that of Mysore. It was with this view that a recommendation was made to Government for the entertainment of only <u>one</u> additional hand for the present in the Mysore Bench Court, the Chairmen having also represented that it was not possible for the existing one clerk to satisfactorily manage the work of the court which had 1033 cases during the last official year. I am of opinion that an extra hand is very necessary, and I accordingly resubmit the matter for reconsideration and orders of Government.
